

2022 HONDAJET ELITE II

SN: 42000238 | N615JT

KEY FEATURES

This 2022 HondaJet Elite II represents an exceptional opportunity to acquire one of the most advanced light jets on the market. Delivered new in May 2023, this single-pilot certified aircraft combines class-leading efficiency with an impressive 1,547 NM range carrying four passengers.

Equipped with the preferred side-facing seat configuration, Gogo AVANCE L3 Wi-Fi, and enrolled on both the EMC² and P3 maintenance programs, it offers outstanding value, predictable operating costs, and immediate availability. With no known damage history, this Elite II is a turnkey solution for owners seeking cutting-edge performance, comfort, and reliability.

*All specifications are intended as introductory information only and subject to purchaser verification and inspection.
