

2011 CHALLENGER 300

SN: 20300 | N883TR

KEY FEATURES

Tern Jet Sales is pleased to present Challenger 300, S/N 20300 - an exceptionally well-maintained aircraft.

Professionally managed and operated under Part 135, this Challenger has been meticulously cared for throughout its life and presents in outstanding condition inside and out, following a complete interior refurbishment and full exterior repaint by West Star Aviation in 2021. The cabin features a desirable dark leather double-club configuration with a belted lavatory, seating nine passengers in comfort. Upgraded with Collins Pro Line 21 Advanced avionics in 2019 and blazing-fast Starlink Wi-Fi in 2025, along with XM Weather, S/N 20300 pairs proven Challenger 300 performance with the connectivity and situational awareness today's operators expect.
